# Calling All Middle and High School Students: Public Service Opportunity

All Carteret County 6th – 12th graders, please consider becoming a Shelf Reader Volunteer at Carteret County Public Library (CCPL)! We need your help! The library staff is currently very busy “reading” the shelves to check for ownership, proper alphabetical sequencing, proper Dewey Decimal numerical sequencing, and the condition of all the books in our collections. (Each book has to be considered individually, so that’s a great deal of checking!)

In addition, the staff is designing games, writing and recording book reviews, collecting information, and adding to our web presence. All of these tasks require careful attention, hours and hours of manpower and many young and innovative minds. The staff is hoping that many of you will find the time and desire to serve the community through your library by becoming a Shelf Reader Volunteer and helping with these tasks as well!

If you are interested, beginning on Saturday, May 25th, Shelf Readers will hold an organizational meeting in the Young Adult section of CCPL in Beaufort at 1702 Live Oak Street from 10:00 – 11:30. Lunch will be provided. Following training, a commitment of every other Saturday for an hour and a half a day would be ideal, though more time would be gratefully accepted. If it is difficult for you to volunteer on Saturdays, once your training program is successfully completed, hours may be donated any time the library is open. (Saturday sessions will offer a wider variety of tasks so your creative side may be more attracted to the Saturday adventures.)

Please give the library a call at (252) 728-2050 to register for training. Just leave your name and number with the front desk librarian – attention: Sue Mathis and the Shelf Reader program. Hope to see you on Saturday, May 25th from 10:00 – 11:30 and then every other Saturday throughout the school year. (Summer Shelf Reader volunteers are more than welcome back for the school year sessions!)
