

STREAM Program: Color and Light

Mr. Dale Montgomery will present the STREAM Program Colors and Light at the Carteret County Public Library Saturday, May 6th from 10-11:30 a.m. for children ages 5-8. Children will learn all about how light is broken into a rainbow of colors and how primary colors are used to create make different colors and hues.

Please join us for this fun and educational event! Space is limited so RSVP by calling the library at 252-728-2050.
