

STREAM Program: Paper Airplanes

Mr. Dale Montgomery will present the STREAM Program Paper Airplanes at the Carteret County Public Library Saturday, April 8th from 10-11:30 a.m. for children aged 7-12. Children will learn the fundamentals of how a wing operates and the forces on a plane. They will create paper airplanes while learning how to make them spin and fly up or down.

Please join us for this fun and educational event! Space is limited so RSVP today; online at <http://evite.me/sduKdFhUHX> or by calling the library at 252-728-2050.
