The summer reading program was a big success with 121 children registered. 24 children actively participated in the programs and turned in reading logs totaling \textbf{1035} books. The grand prize winner, Emma Leary, won a telescope donated by Walmart. Prizes were also given for first, second and third place in all grade levels. All reading groups celebrated with parties during their regular story times and all children involved received an ice cream cone from Newport’s own Sheppardsville Sweet Shoppe and free wings from Buffalo Wild Wings. Readers who read at least ten books received a free taco from Taco Bell. Other prizes donated were VIP meals by Arby’s of Morehead City and cinnamon sticks by Domino’s of Newport. Thank you to all of our sponsors and the Friends of the Newport Library for your support and extra special thanks to Mayor Derryl Garner for giving of his time to share a story time with our children.

\textbf{Adult Summer Reading ~ “Between the Covers”}

The adult summer reading program had nine registered with three of the nine winning a mystery jigsaw puzzle in our drawing. Thanks to all who took part and we hope that we can get more interested next summer!

Ms. Susan's Suggestion Box

If you have any ideas for new books that Newport Library does not have, please put them in the suggestion box in the Young Adult section. Ms. Susan will try to get them when she is able to order new books.

It is your library and your suggestions are important to us!

Celebrate Summer in the Children's Library (& Scooby Doo, too!)

June - The children’s library will “catch the reading bug” by celebrating the world of insects. Crafts will include pompom caterpillars, paper plate ladybugs, toilet tube bees and paper towel butterflies. The library display case features a butterfly collection by St. James youth pastor, Melanie Vaughn.

July - Summer Reading Program theme is “Dream Big, Read!” Our young readers will make dream jars, tooth pillows, and constellations. Pajamas will be the accepted dress for the summer programs!

August - The children will study nocturnal, or night, animals like bats, owls and raccoons. The Outer Banks Wildlife Shelter (OWLS) will bring a screech owl and a kestrel to visit us on August 21.

The children wore their pajamas to read about night animals at story time so Scooby Doo wore his pajamas too! (and brought along his blanket.)

Librarians are not just gatekeepers to knowledge; they are what the American Indians used to call their special sages who preserved the oral legends of a tribe:

**Dreamkeepers.**  
- James H. Billington, Librarian of Congress

Twenty years from now you will be more disappointed by the things you didn’t do than by the ones you did do. So throw off the bowlines. Sail away from the safe harbor. Catch the trade winds in your sails.
